

Friends of Hermitage Farm

An Invitation to Something Deeper

RETREAT RECONNECT REMEMBER

Friends of Hermitage Farm is a membership created for those who want a closer connection to the land, the table, and the experiences that bring them together. Rooted in the spirit of Hermitage Farm, this is not a program built on perks or discounts. It is designed around access, intention, and a shared appreciation for what makes this place distinct. At its core, the membership offers a way in: *moments that are thoughtfully prepared, quietly exceptional, and not widely available.*

The Farm, Opened to You

Thoughtful moments that create a lasting connection.

Chef Experiences at the Farm

A curated series of chef-led dinners and collaborations that reflect the rhythm of the seasons and the creativity of the kitchen. From intimate greenhouse tastings to guest chef residencies and seasonal menus shaped by the farm, each experience offers a deeper connection to the table.

Priority Access Across the Farm

A more seamless way to experience Hermitage Farm. Members receive priority reservations at Barn8, concierge-style booking for high-demand experiences, and a level of recognition on property that ensures each visit feels considered and effortless.

Travel & Stay Privileges

Preferred access to time spent on and beyond the farm. Members receive a 15% discounted rate on stays at Hermitage Farm, including the Main House, Smoke House, and Linden Hill, as well as across Indigo Road hotels, extending the experience wherever they go.

Member Gatherings

Two signature gatherings each year bring members together in celebration of the season. A Derby Celebration and Holiday Gathering create moments of connection, community, and shared experience in a setting that feels both elevated and familiar.

Beyond Access

A deeper level of participation
in the life of the farm

Bourbon Experiences

An opportunity to engage more closely with Kentucky's bourbon tradition through thoughtfully curated offerings. From private barrel selections to the development of custom labels, these experiences provide a more personal connection to the craft and its process.

Thoroughbred Access

A rare window into the life of the thoroughbred. Members are invited behind the scenes to learn, observe, and engage more deeply with the farm's program, with opportunities to participate in the farm's syndicate program, creating pathways to fractional ownership and a closer relationship with the horses themselves.

Member Identity

Membership is marked by a considered, enduring object: an embossed leather key fob designed to serve as a subtle, lasting connection to the farm. A quiet symbol of belonging, carried with you beyond the gates.

MEMBERSHIP

A limited offering, intentionally designed to preserve the quality of experience, level of access, and sense of connection that define Hermitage Farm.

Membership is extended on a rolling basis to a small group of individuals who seek a deeper relationship with the farm and its evolving story.
