Our Farm

Hermitage Farm celebrates Kentucky's unique agricultural heritage and signature industries, from fresh produce to Kentucky bourbon and future Derby champions. Located in Oldham County, the farm reflects the dedication of owners Laura Lee Brown and Steve Wilson to preserving farmland. They purchased Hermitage Farm to save it from suburban development, expanding on their history of conservation by placing nearly seven hundred acres under a conservation easement to ensure it remains active farmland in perpetuity.

Visitors can experience renowned thoroughbred operations, sustainable farm-to-table dining, bourbon tastings, and contemporary art displayed in a reimagined 19th-century estate. The farm's gardens and orchard supply the Barn8 Farm Restaurant with fresh produce, and the Hermitage Farm Store stocks KY proud items like meat and eggs from Woodland Farm. This commitment to agricultural conservation ensures that Hermitage Farm remains a vibrant part of Kentucky's natural heritage for future generations to enjoy.
